ACCESSING **RB** DIGITAL MAGAZINES

rb **digital** Magazines [formerly Zinio] is a magazine subscription service the Library purchased for Lancaster residents.

rb **digital** Magazines is a digital media platform that offers access to a collection of 50 magazine subscriptions, including Newsweek, Rolling Stone, National Geographic Kids, ESPN, Adult Coloring Book, Highlights, This Old House, and much more that you can access for *free* on most Apple, Android, Kindle, Kindle Fire, and Windows computers or devices.

rb **digital** Magazines permits Lancaster residents to download and keep as many issues as they wish. That's pretty cool!

Requirements:

1. Users must live in Lancaster.

2. Have a Library card issued by Thayer Memorial Library that begins with 28128.

3. Have internet access.

4. Have a Windows, Apple, Android, or Amazon compatible device.

How can I begin using **rb** **digital** Magazines?

1. If you wish to apply for library membership or want to renew your membership, follow this link.

2. If you live in Lancaster and already have a library membership that *does not* start with 28128, contact the Library Director by following this link.

3. If you already have a library card issued by Thayer Memorial Library:

    a. Go to Thayer Memorial Library's website.

    b. Find the "Digital Resources" card located under the slider, and click on "Details."

c. Find the "rb digital" logo and click on it.

d. To create an account, click "Create New Account" near the top and on the right.

e. Enter your Thayer Memorial Library card number starting with 28128.

f. On the next screen, "Create New Account," fill all the fields that follow. For the *Library/Residence* field, select "Massachusetts – Thayer Memorial Library."

g. After reading the terms of service, click "Create Account."

To download the rb digital app:

1. If you have an Apple device, click here to download the app.

2. If you have an Android device, click here to download the app.

3. If you have an Amazon device, click here to download the app.
